

Elite® Series G61 Gas Furnace

Quiet operation

- » **Fully insulated** for quiet, efficient operation
- » **SureLight® igniter** reduces sound for quieter operation

Home comfort

- » **Two-stage operation** minimizes up-and-down temperature changes
- » **Continuous low-speed fan** slowly circulates air

Energy efficiency

- » **Up to 95% AFUE** efficiency rating can save you hundreds of dollars each year, compared to standard furnaces
- » **ENERGY STAR® qualified** – meets or exceeds EPA guidelines for energy efficiency
- » **Stainless steel secondary heat exchanger** improves efficiency by capturing additional heat
- » **Dual-fuel** – For optimal comfort and efficiency, the G61 can be combined with an electric heat pump to create a dual-fuel system. This combination minimizes heating costs by seamlessly alternating between the two energy sources, depending on outdoor conditions.

Reliable performance

- » **Quality you can trust** – designed with reliable, time-tested components
- » **SureLight® control board** delivers starting reliability
- » **Multi-position models**
- » **Limited lifetime warranty** on heat exchanger
- » **5-year limited warranty** on covered components*

As testament to the efficient performance of the G61 it has earned the ENERGY STAR label, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

Choosing an ENERGY STAR qualified product like the G61 can improve your comfort, while also helping you save energy and money. For other ways to make your home more efficient, visit ItPaysToLiveSmart.com.

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

The G61 may be eligible for federal, state or local tax credits, as well as rebate programs from local utility companies. Please consult your tax advisor for more information.
